Battle Sails feature a recreation of a 18th century naval skirmish with cannon fire (blanks, of course) and close quarters maneuvers. **Evening Sails** and **Adventure Sails** are a chance to help raise a sail, learn a sea shanty, or take the helm of a real tall ship. **Dockside Tours** are a chance to explore a ship at the dock (\$5 donation requested).

The *Lady Washington* appeared in the movie *Pirates of the Caribbean*. The *Hawaiian Chieftain* serves as *Lady Washington's* sailing partner.
